Leeds Children's Mayor

Faye Cavanagh in Year 6 has been shortlisted from over 30 entries in the Leeds Children's Mayor competition. Faye had to write a manifesto stating her ideas of what can be done to improve the lives of children in Leeds. Please, please, please ensure that all children under the age of 18 that live in Leeds cast a vote for Faye. This is a fantastic opportunity for her and for the school. Well done Faye - we are very proud of you.

Head Teacher's Gathering

Thank you to those Parents/Grandparents that came for a brew and biscuits. There weren't many of us but there were questions raised that had come in from other Parents who were unable to attend. The following were discussed.

Q: Can both gates, either side of the main gate, be open at the end of the school?

A: Mrs Ashmore will open both gates with immediate effect to enable easier access and departure.

Q: Can we look into the system of putting school logos on jumpers/tops that Tesco do?

A: Mrs Hyams to look into this and advise on costs etc.

Q: Can menus on display have a larger and darker font? It's not always easy to see the notices in the display.

A: Mrs Hyams to ensure that menus are A3 and bolder print.

Q: Could taster days be organized so children not on schools meals can try the different foods on offer?

A: Mrs Hyams to discuss with Carillion Catering staff and will try to organize tasting of the more unusual elements of the menu.

Others: Questions were raised around several other topics that have been answered in the 'Responses to Parents from the Questionnaire' document. This has been put on the website under the Parents' Tab.

Morley Children's Cluster Council

Congratulations to Ethan Hambleton and Faye Cavanagh for putting themselves forward at this council for the positions of Secretary and Chairperson. They both had to write a manifesto and then share these with all the other members of the Council. They both did exceptionally well and Faye was successful in securing the position of Chairperson.
