Welcome back to everyone and I do hope you had a lovely time during the two week break. The weather as I write this is beautiful—enjoy it whilst it lasts. On a rather different note, I am still getting numerous phone calls and letters from local residents about folk parking in front of drive-ways. Please, please, please respect those who live in and around school by parking considerately. On a more pleasant note, I have had the pleasure this week of joining the children for school dinner on each day. WOW! The meals that Mrs Kerfoot and her team are making for the children are beautiful—better than many restaurants. Many thanks to her and her team for all their hard work. All the ingredients used now are fresh from butchers and fruit and veg suppliers and far more healthy and better for the children. We have decided therefore to have a 'Taster Evening' for Parents and children towards the end of May so watch out for the date of this. We are also going to have a 'Street Party' to celebrate the Queen's 90th birthday on 28th June. We will send out details of this as we finish for half term when all the details have been finalised.

SAT's 2016

SAT's week in school for Year 6 begins on May 9th. Phonics for Year 1 is the week beginning 13th June and any children who didn't pass this in Year 1 have to re-sit during this week as well. Year 2 SAT's are to be administered during May and June.
