

As we approach the end of 2016 all the Staff at  
Hill Top Primary Academy  
would like to wish you and your families  
a very Merry Christmas and all the very best for 2017.

## How well did Hill Top Children do in the 2016 SATs?

The League Table of SAT results for KS2 were published yesterday. Up until now, we have known how well we have done but have had very little knowledge of how well we have performed against other schools in Morley, Leeds and then Nationally. We have a massive amount to celebrate and must congratulate all the staff and Leavers of 2016 at Hill Top Primary Academy for all their hard work and dedication.

**We are placed approximately 33rd of 125+ primary schools in Leeds,**

**We are placed 2nd in the Morley Family of Schools—  
just pipped by Birchfield,**

**We are 28th in the Top 100 of like schools Nationally.  
(These are schools with a similar demographic to ours in the  
whole country)**

This is a huge achievement in the ever changing climate of education and as things continue to change we are working hard to ensure we give your children the best education possible.

## Merit Certificate Winners

Year 3: Aaron Dhesi, Year 4: Ruben Hardcastle; Year 5: Lewis Stead; Year 6 William Hallas.

## FOHT

A huge Thank You to all those who organize and help out at the different events we hold in school. Our FOHT help raise a huge sum through yourselves for all the children in school.

A massive Thank You to the very small committee who make events possible.

The Autumn Term is always our busiest for Fund raising whether it is for school or Charities and once again you have been extremely generous.
